1% income tax donation

Those who pay taxes in Hungary may direct 1% of their private income tax to a designated non-profit organization, without affecting their own income. Designate your 1% to Habitat for Humanity Hungary and help more families to have a decent, affordable house and break the cycle of poverty.

When it is time to complete your tax forms, fill in the 1% pledge form, attached to your tax package ("Rendelkező nyilatkozat a befizetett adó egy százalékáról"), with the following:

Habitat for Humanity Magyarország Alapítvány

Tax number: 18672772-2-42

The Hungarian Tax office will submit your donation to us.

Together we can break the cycle of poverty!
